

**ALLOTMENT INSTRUCTIONS TO THE B.TECH / INTEGRATED M.Sc
PHOTONICS / INTEGRATED M.Sc COMPUTER SCIENCE/ INTEGRATED M.Sc
IN SCIENCES PROGRAMMES OF CUSAT FOR THE ACADEMIC YEAR 2022-23**

Allotment to various branches of **B.Tech/Integrated M.Sc Photonics/ Integrated M.Sc in Computer Science** programmes are based on the rank list and the options registered by the candidates and in the case of **Integrated M.Sc in Sciences** the allotment is based on the rank list only. Candidates who have got allotment shall pay the fees applicable for the programme allotted to them by way of online payments on or before the stipulated last date for payment of fees.

- **If a candidate fails to pay fees before the stipulated last date of payment of an allotment, all options of that candidate will be cancelled and he/she will not be considered for subsequent allotments. However, he/she can participate in the spot admission, if any.**

The higher options of the candidates who have paid the fees within the stipulated time will stay and all their lower options will be cancelled. For example, if a candidate got allotment to his/her third option and paid the fee, his/her first and second options alone will be considered in subsequent allotments. If a candidate wishes to remain in the option already allotted to him/her, he/she has to cancel all the higher options registered by himself/herself by login into their respective home/login page. This facility will be available till the last date of payment of fees. Otherwise, he/she may be allotted to the higher options registered by them in the subsequent allotments, if any, in case vacancies are available in the higher options. The lower options registered by the candidate who have received allotment will be cancelled without intimation.

If the candidates, who have paid the fees, are allotted higher options in the subsequent allotment, the fees already paid by them will be adjusted in the fee of the new options allotted. Waiting list of candidates will be updated in the home page of candidates after every allotment. Hence candidates are directed to check the status of the allotment granted to them on a daily basis till the final allotment is completed.
