

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY
DIRECTORATE OF ADMISSIONS

IMU CET RANK SUBMISSION/ OPTION REGISTRATION FOR B.TECH MARINE ENGINEERING PROGRAMME

General Instructions:

1. As published in the Prospectus 2022, the rank list for CUSAT B.Tech Marine Engineering Programme is prepared from those candidates who have registered for test code 101 of CAT 2022 exam and also included in the rank list of CET 2022 exam conducted by Indian Maritime University.
2. Those candidates who have registered for test code 101 of CAT 2022 exam and also included in the rank list of **CET 2022** exam conducted by **Indian Maritime University** should invariably submit their willingness to be considered for B.Tech Marine Engineering Programme .The candidates should submit their IMU CET rank and register number .Their options for the B.Tech Marine Engineering programme also has to be registered by login to the home page of the candidates. Those who fail to submit their willingness/submit IMU ranks and to register their options will not be included in the rank list of B.Tech Marine Engineering Programme.
3. The candidates can modify or edit the Options once exercised by them till the last date of online option registration. However, the online options stored in the University database as on the date and time of closing of online option registration shall be treated as final and no further changes will be entertained in any case. This option alone will be considered for further processing. Based on the options submitted by the candidates, online/offline allotment will be made at the time of counselling/admission to the programme.
4. Merely registering options does not entitle a candidate to be considered for admission to B.Tech Marine Engineering programme of the University. It will be subject to the fulfillment of the eligibility criteria prescribed in the prospectus and relevant rules of the University. The Candidates are solely responsible to prove their eligibility for admission by producing the required documents to prove their eligibility, community, creamy layer status etc. **If any of the candidate is unable to upload the required/mandatory certificates within the stipulated time for uploading certificates and to produce the original of the same within the time stipulated for physical verification of certificates, their claim for admission to the programme opted by them and allotted to them will be summarily forfeited.** Hence the onus of proving their claim for admission lies with the candidate and not with the University.
5. Based on the options/IMU CET ranks submitted by the candidates, their eligibility and availability of seats, candidates will be allotted to the Programme.
6. The details of the allotment, if any, will be published in the home page of the candidates. Students who get allotment must upload the required certificates to prove their qualification and reservation eligibility and must also **pay the requisite fees within the stipulated period.** Payment of fee facility will be enabled to the candidate only after uploading of the certificates. **There won't be any individual communications regarding the allotment** and hence candidates are directed to check the admission website and their home page on a daily basis.

7. **If a candidate fails to upload the required certificates and pay the fee, his/her claim for admission to the programme will be summarily forfeited.** Hence candidates are advised to be **vigilant while uploading the required certificates and documents to prove their qualification and eligibility for communal reservation/special reservation and making the payment.**
8. The verification of the eligibility of the candidate for admission to a programme is done by the University only after the allotment of seats to the candidate based on his/her options. The candidate alone shall be responsible for such instances of wrong selection of option registration for academic programmes for which he/she is not eligible.
9. **The students who successfully complete the allotment process and joins for a programme should report as per instructions published in the website <https://admissions.cusat.ac.in>**
10. Maintaining the confidentiality of the password and other login details shall be the sole responsibility of the candidate.

How to register willingness and options for B.Tech Marine Engineering Programme 2022
