

CAT 2024 - Mock test instructions

Questions and Instructions given in the Mock Test are *Generic in nature* and are meant for training purposes only. For Subject specific Instructions, Please refer to the Prospectus – CAT 2024 available at the web portal <https://admissions.cusat.ac.in>.

For test code 101 there are three sessions for a total time of 180 min (Physics - 60 min, Chemistry - 45 min and Mathematics - 75 min). Navigation from one session to another is not permitted before the expiry of the stipulated time in the actual test (Permitted in the mock test for training purpose only). During the actual test, one session will automatically be navigated to the next session on the expiry of the stipulated time for that session.

For Integrated M.Sc. in Biological Sciences, students have to appear for three sessions with two different Hall Tickets [One for Physics and Chemistry - Test Code 104 (Forenoon) and other for Biological Sciences - Test Code 104 (afternoon)].
