

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY
UNIT FOR INTERNATIONAL RELATIONS & ACADEMIC ADMISSIONS (IRAA)

**ONLINE OPTION B.TECH/ INTEGRATED MSC(PHOTONICS)/ B.TECH
LATERAL ENTRY REGISTRATION/REARRANGEMENT/**

General Instructions:

1. Candidates who are in the B.Tech/Integrated MSc (Photonics) and B.Tech Lateral Entry rank list of CAT 2019 should invariably register/re-arrange their options in the website <https://admissions.cusat.ac.in>. **Those who fails to register will not be considered for online allotment and centralised allotment.** Candidates in the rank list of Integrated M.Sc. in Sciences and B.Voc need not register their options for Integrated M.Sc in Sciences and B.Voc.
2. There is no option registration for candidates in the Integrated MSc in Sciences need not
3. Based on the options submitted by the candidates, their eligibility and availability of seats in various branches, the candidates will be allotted to the different branches opted by them.
4. **During online allotment days candidates need not come to the University.** They must **report on joining dates** already published in the web site <https://admissions.cusat.ac.in>
5. The details of the allotment made to various branches will be published in the home page of the candidates. The students who got allotment must pay requisite fees within the stipulated period.
6. If a candidate fails to pay the fees, his/her claim for admission to the programme will be forfeited. Hence candidates are advised to be **vigilant** while making the payment and contact the university in the helpline numbers given in the website to sort out issues related to payments.
7. Merely registering/re-arranging options does not entitle a candidate to be considered for admission to any programmes of the University. It will be subject to the fulfillment of the eligibility criteria prescribed in the prospectus and relevant rules of the University. The Candidates are solely responsible to prove their eligibility for admission to any of the branches by producing the required documents to prove their eligibility, community, creamy layer status etc. If any of the candidates are not able to produce the required/mandatory certificates at the time of certificate verification, their claim for admission to the programme opted by them and allotted to them will be forfeited. Hence the onus of proving their claim for admission lies with the candidate and not with the University.
8. The verification of the eligibility of the candidate for admission to a programme is done by the University only after the allotment of seats to the candidate based on his/her options. The

candidate alone shall be responsible for such instances of wrong selection of option registration for academic programmes for which he/she is not eligible.

9. The candidates can modify or edit the Options once exercised by them till the last date of online option registration. However, the online options stored in the University database as on the date and time of closing of online option registration shall be treated as final and no further changes will be entertained in any case. This option alone will be considered for further processing. Based on the options submitted by the candidates, online/offline allotment will be made at the time of counselling/admission to the various programmes.
10. Maintaining the confidentiality of the password and other login details shall be the sole responsibility of the candidate.
